The Catskill Center for Independence is part of a statewide network of disability advocates known as the Statewide Systems Advocacy Network (SSAN).

This network, comprised of hundreds of advocates across the state all work together with one goal in mind:

To improve the quality of life for individuals with disabilities through the achievement of a barrier free, fully inclusive society for everyone.

The SSAN accomplishes this goal in many ways.

- Actively support legislation that benefits individuals with disabilities and opposing legislation that is harmful.
- Send letters, faxes and emails to appropriate legislators in support or opposition of proposed legislation.
- Educate community members about the barriers faced by individuals with disabilities.
- Provide written and/or oral testimony in support of or opposition to proposed legislation or policy changes.

- Write letters to the editor about identified issues and topics affecting individuals with disabilities.
- Engaging in political action when necessary to achieve a goal.
- Help with voter registration drives.

We Want You!!!
